#### GROUP TEEN TRIPLE P

ALL YOU WANT TO KNOW ABOUT PARENTING TEENS (10 to 16 years)

IS THIS YOUR FAMILY?  
 Your teen's behaviour has become too much for you to handle. At home, there's probably a lot of shouting and very little agreement. Or maybe you don't know why they do what they do. Or maybe it isn't that bad, but just that you realize things can change very quickly. So you're keen to know as much as possible about positive parenting so you'll be prepared if things do.

Other help groups from Triple P can give the support you need.

#### The Lying Game by Ruth Ware

She didn't know something terrible had happened when she received this letter from an old friend. Why else would Kate succumb to her and the other two friends, Theo and Fabrice, to the seaside town where they briefly attended a school together seventeen years ago. The four friends first met at Dalton House boarding school, where they quickly bonded over the Lying Game, a risky contest that involved tricking fellow boarders and faculty with their lies. The game had consequences, and the girls were eventually expelled after Kate's dad, their beloved art teacher, mysteriously disappeared. Accompanied and misled, with just the right amount of thrill, The Lying Game will have readers at the edge of their seats, not knowing who can be trusted in this tangled web of lies.
